

STRIKING MINERS SHOT IN ATTACK ON STATE MILITIA

Trainload of Soldiers and Bloodhounds Put on Trail of Assailants.

CHARLESTON, W. Va., Sept. 25.—After quiet had prevailed for forty-eight hours, the warfare between the State militia and miners in West Virginia was resumed early today.

The outpost of Company I, State Militia, at Keeferton, in the mountain district, was attacked in the darkness of early morning. The State soldiers replied to the fire and several of the attacking force were wounded. The wounded miners were carried off by their companions, but the presence of a large quantity of blood in several different places was evidence that the bullets of the guardsmen had taken effect.

When news of the attack was received by Major James I. Pratt, who is in command, a trainload of soldiers and bloodhounds were sent to trail the assailants.

Keeferton is in Fayette county, on the edge of the martial law zone. The strike situation in the Kanawha valley fields is at present as far away from settlement as ever. The miners are adding to their armed force, and have established regular camps in the mountain district.

PROTEST ON HAULING CRANBERRY RATES

Arkansas Company Files Complaint With the Interstate Commerce Commission.

Two protests against existing joint rates on cranberries from Massachusetts, New York, and New Jersey to Arkansas points, were filed with the Interstate Commerce Commission today, portending a Thanksgiving with cheaper trimmings for the turkey.

The Fort Smith (Arkansas) Commission Company states that the present rate from Massachusetts and New Jersey points is 41 cents to St. Louis, and that the rate from there is 13 cents. A reduction to 34 cents, making the joint rate 75 cents instead of 54 cents, is asked. The haul to St. Louis is about 1,400 miles, and the haul from there to Fort Smith 418 miles.

The second complaint was filed by the Merchants' Freight Bureau of Little Rock. This attacks the rate from Massachusetts and New York points to Memphis, and thence to Little Rock. The combined rate is now 81 cents, 26 cents of this being the rate from Memphis to Little Rock. A reduction to 35 cents is asked.

POLICE THINK MAN FOUND DYING WAS HIT BY STREET CAR

Mangled Body of Watchman Found in Connecticut Avenue.

After a thorough investigation of the circumstances surrounding the death of Walter S. Wren, a night watchman, who was found in a dying condition last evening in Connecticut avenue, near Upston street, the police today are convinced that the man was killed by a street car.

Wren was fifty years old and lived at 3118 Eighth street northwest. He left his home about 5 o'clock to go on duty in Seventh street northwest, where he was employed to watch several business places.

The man's mangled form was discovered shortly after 7 o'clock last evening by Alden Smoot, of 2530 Woodley place northwest, who was driving out Connecticut avenue in his automobile. Mr. Smoot was almost upon the body before he noticed it. He thought at first it was a bundle of newspapers. The slippery pavement made it impossible to turn out, but he managed to run over the body so the wheels and chassis cleared it.

Mr. Smoot, seeing the object was a man, drove hurriedly to the Army and Navy Preparatory School, about two blocks away, and telephoned for an ambulance.

Before he could return to the scene of the accident, an automobile in which was Miss Morgan, daughter of Dr. James Dudley Morgan, of Chevy Chase, had stopped by the injured man. Miss Morgan had her chauffeur put the man

in her automobile and he was carried to the Emergency Hospital, where he died an hour later without regaining consciousness.

Wren's left hip, leg, arm and three ribs were broken. The body was taken to the morgue, where an inquest will be held at 11 o'clock tomorrow morning. Central Office Detectives Evans and O'Dea were detailed to make an investigation of the accident. They examined Mr. Smoot's car, a light runabout, and said they found no signs of blood on the machine and are convinced Mr. Smoot could not have struck the man. Physicians at the hospital said that some heavy vehicle such as a street car or large automobile must have struck Wren, as the nature of his injuries indicated he was hit with great force.

COLONEL TO TESTIFY WITHOUT A LAWYER

Refuses Chance For Counsel At Campaign Fund Investigation.

Col. Theodore Roosevelt will not be represented by counsel when he appears before the senate campaign contributions investigating committee on October 4. The Penrose resolution passed by the Senate on the last day of the session, provides that witnesses may be represented by counsel if they wish. Colonel Roosevelt was asked if he wished to have counsel. He promptly said word to Progressive leaders in Washington that he would not have a lawyer, stating that he saw no occasion for legal aid when testifying in a matter of this kind.
